

Finance & ControlBase

2009-2010

Do you want to be informed on financial management and administration? Or perhaps you want to find information on matters such as fraude? Then use Finance & ControlBase!

Finance & ControlBase is a Dutch database in which you can quickly search for articles from relevant handbooks. You can also search for articles in specialist journals such as Finance & Control. New articles are added monthly on BIV/AO, financial accounting, information management, corporate governance, corporate finance & treasury, organization and processes, accounting en control etc.

Articles are available full text (pdf). These can be downloaded, e-mailed or printed.

A selection of the information sources:

Handboek Administratie; Automatisering van de informatieverzorging: van controle naar control; Financieel Administratieve Modellen; Financieel Zakboek; Handboek Management Accounting; Checklisten Financieel Management; Praktijkboek Financieel Management.

Where can you find Finance & ControlBase?

Surf to: www.mediatheek.hu.nl. Click 'Informatiebronnen' and 'Databanken' and then click 'Kluwermediabase - Finance & Control'.

How do you search for articles?

1. Select a search method:

- Rubriek (section): use the menu to select a section.
- Uitgaven (issues): click 'uitgaven' to consult the index of the manuals.
- Trefwoord (keyword): enter a keyword and click 'zoek'. The word alphabetically nearest to the keyword will be presented.
- Auteur (author): enter the surname of the author without prefixes and click 'zoek'.

2. Click an article to open it.
